

Providence Public Library

PPL's LARK program brings quality literature and interactive learning tools to our state's early childhood educators and our youngest readers. Aligned with the Rhode Island Early Learning and Development Standards, each of our theme-based kits contain library materials packaged in a plastic tub or tote bag. Materials included in the kits usually

include: 10-12 picture books, music CD and/or educational DVD, an activity folder full of ideas and an inventory list, and materials for hands-on learning and exploration such as puppets, flannel boards, games, puzzles, toys, costumes, posters, etc.

LARKs are available for circulation to child care providers and educators from any licensed child care center or family child care home in Rhode Island. LARKs are also highly recommended for Kindergarten and First Grade teachers. Any childcare agency, family childcare home, preschool, or kindergarten teachers may borrow the kits and receive training in their use. **Many kits are available in Spanish. Some kits are designed specifically for Toddlers.**

To borrow a LARK, please email childrensinfo@provlib.org or call the PPL Children's Librarians at 401-455-8031. We look forward to sharing these resources with you!

LARKS (Learning and Reading Kits)
